IMPORTANT INFORMATION if previously enrolled at a Queensland State School.

Student and parent details will automatically move across to high school, through OneSchool. If details are not correct at the primary school, they will come across incorrectly into the high school. Some details cannot be altered in OneSchool until your child physically attends the school. This also applies to custody changes and any emergency contacts.

Parents are asked to ensure their details are correct at their child's current primary school prior to enrolling into high school. If your details are incorrect in OneSchool, you may not get important enrolment confirmation or important information pertaining to subject selection and student report cards.
