Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Develop school leader and teacher knowledge and understanding of the Australian Curriculum content descriptions and achievement standards, provide professional learning opportunities and coaching to deepen understanding, allocate time for teams to map/write curriculum and embed processes for moderation
- Provide additional teacher-aide support to the numeracy/literacy programs.
- Fund Numeracy/Pedagogical/Curriculum Coaches to provide individual support for teachers, source/deliver targeted PD, give demonstration lessons and develop resources.
- Support leadership team and teachers to use data to differentiate, inform targeted teaching, identify appropriate interventions and improve learning
 - Provide opportunities for students to participate in activities and programs which support learning engagement and improved outcomes.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

Investing for Success
